*Isabela State University
Cauayan Campus*

OCP Phase 4

- The Overseas Community Project Phase 4, a tripartite project of **Temasek Polytechnic (TP) Singapore, Local Government Unit of Cauayan City, and Isabela State University- Cauayan Campus** emerged as the greatest accomplishment of the External and Internal Relations Office in the first two quarters of 2019.
- The said project brought forth the **Internet of Things (IoT)-Based Greenhouse Irrigation Control System for Aquaponics** to the residents of Sitio Manalpaac, Barangay San Pablo, Cauayan City.
- It also opened the opportunity to organize the **Robotics Training Workshop and Competition** in partnership with SSC, CCSICT, PS, and TP Singapore.

Isabela State University
Cauayan Campus

Academic/Industry Linkages

- Partnership with **156** different academic and industry linkages were recognized so as to deliver OJT/Internship among graduating students in the campus.

Students Inter-Country Mobility

- The **Agricultural Educational Program** is a training for students in educational project in agriculture which was successfully collaborated by the **Isabela State University (ISU)** and **“AgroStudies” The International Center for Agricultural Studies in Israel Ltd. (The Center)**. It provides advanced studies and training in various agricultural areas to foreign students coming from various countries.
- The duration of the program is 11-12 months, comprised of studies in the Centre as well as practical training. The participants of the program are housed in farmstead and agriculturist-farmers are assigned as their tutors for the practical training according to their field of studies.
- **Five Bachelor in Agricultural Technology students** from ISU-Cauayan Campus were able to join in the said program.

Isabela State University
Cauayan Campus

- The **Stakeholders Forum 2019** spearheaded by the **Hospitality and Restaurant Management** opened different partnerships with the hospitality industry last October 12, 2019.

Isabela State University
Cauayan Campus

- **Cascading of Service Management for Business Process Outsourcing and Business Analytics to Higher Education Institution Faculty**, a program with **LGU Cauayan City** and **CHED**, enabled the beneficiaries to be fully equipped in their areas of specialization (November 5-8, 12-15; December 2-6, 2019).

Isabela State University
Cauayan Campus

- In partnership with **Department of Trade and Industry (DTI)**, the launching of **Shared Facility Project-Isabela Bamboo Industry Development Center Cum Skills Training on Bamboo Processing** opened opportunities for the **ISU-Cauayan Food Innovation Center** in the production of different bamboo merchandise (October 18, 2019).

Isabela State University
Cauayan Campus

- **North Intensive Program**, a collaborative program with the Belgian government through **Howest University** and **Vives University**, provided student internship program for two weeks that included **1 BSIT student** from ISU-Cauayan (November 2019).
