THE OFFICIAL NEWSLETTER OF ISABELA STATE UNIVERSITY CAUAYAN CAMPUS LIBRARY

U.P. LAW LIBRARY, DOST-STII AND PGLL DONATE LIBRARY RESOURCES TO ISU

by Marilyn G. Subido

Expanding the library collection entails not only continuous purchases of books and other library resources but also generous donations from various individuals, institutions, organizations, and other agencies. While books and literacy remain at the heart of what librarians do, by expanding what a collection can be, some librarians have positioned themselves as curators of spaces that inspire curiosity and address equity issues facing their school community.

As part of the acquisition initiative of the Library services, the University

received volumes of information resources. Last August 23-24, 2023, the librarians from Cauayan, Roxas, San Mateo and Echague Campuses visited the Philippine Group of Law Librarians (PGLL), Department of Technology-Science and Technology Information Institute (DOST-STII), and the University of the Philippines (UP) Law Library to receive plenty of information resources. Ms. Jeremy F. Flores, the President of PGLL, Ms. Lynderlitte M. Maglaque, the head librarian of DOST-STII, and Mr. Rey Manlangit, Law Librarian of UP Law Library, warmly received them.

LIBRARY STAFF

Marilyn G. Subido, RL

TRANSFER TO THE NEW BUILDING

by Marites Besa Cruz

With the completion of the new and more spacious library on campus, the old library was repurposed.

Moving library books to another building can be a logistical challenge for librarians and staff. It requires careful planning and extra time. To ensure the collection arrives safely and efficiently.

The Chief of Library Services, Marilyn G. Subido, instructed her staff to properly pack the resources which can all help minimize or avoid the risk of damage during the move.

Trough the help of the O.J.T. students of Isabela State University- Cauayan Campus, the transfer was successfully made.

Students and faculty will find a welcoming new home for learning in the new library, which beckons them with its vast collection and inviting atmosphere.

CHED R-02 Conducted On-Site Institutional and Program Monitoring at ISU-CC

by Diane Jean Gammad

In accordance to the standards of the Commission on Higher Education (CHED) to uphold its commitment to deliver high-quality education, the Isabela State University-Cauayan Campus underwent on-site institutional and program monitoring on October 18, 2023 at the Business Process Outsourcing Training and Simulation (BPOTS) Center.

Dr. Boyet Batang, Vice President for Academic Affairs, welcomed the accreditors, headed by Dr. Jovelyn Carag, and members, Engr. Joven Jacinto and Mr. Rey Tuddao.

Dr. Carag discussed in her speech the goals of the event and its significance for evaluating educational institutions.

The event demonstrated ISU's persistent commitment to academic excellence and its ongoing efforts to both meet and surpass requirements in order to create a positive learning environment.

A GLIMPSE INTO THE PLAI CONFERENCE 2023

by Sohiela Castañares

From November 21–24, 2023, the ISU Librarians joined the Philippine Librarians Association Inc.'s (PLAI) celebration of its centennial national congress at the SMX Convention Center in Clark, Angeles, Pampanga, with the theme “PAGHANDURAW KAG PADAYON: HERITAGE. HORIZON. HARMONY.” The PLA I congress is a highly anticipated annual gathering that brings together a diverse community of librarians and professionals from all over the Philippines. This significant event coincides with Library and Information Services Month, serving as a culminating year-end activity. During this congress, the PLA I Regional Councils and various library associations converge to share research findings, engage in discussions on pertinent issues and concerns, and strategize for the continuous professional development and upskilling of librarians.

Over the years, the PLA I Congress has evolved into a platform for fostering collaboration and knowledge-sharing. It is held in partnership between the library and information professions in the Philippines, with esteemed organizations like the National Commission for Culture and the Arts through the National Library of the Philippines.

One of the highlights of the conference was the networking opportunities it provided. Every participant had the chance to connect with librarians from different regions and sectors, exchanging ideas and learning from their experiences. The conference also included a fellowship night, which was a delightful showcase of Filipino heritage and talent. The participants were treated to singing and dancing, making it a memorable evening for all attendees. The PLA I conference was not just an event but a celebration of their profession and a reminder of the important role they play in society.

In conclusion, the PLA I conference was an enriching and inspiring experience. It provided a platform for learning, networking, and celebrating the work of librarians in the Philippines. The attendees were looking forward to next year's conference to encourage all librarians and information professionals. It was truly inspiring to see the diversity and dynamism of the profession.
